ELBERT COUNTY STANDS UP

A Prayer for The United States of America

Dear Lord,

Where do we start? We have so much that troubles us and we are sure it troubles YOU, also. We are hurting Lord and the greatest tragedy of our pain is that we do not really see its source.

We acknowledge today that we are in pain because we are trying to live our lives without YOU. We have forgotten how to trust YOU. We have forgotten why YOU gave us Your Word. We have forgotten that YOU gave us this great nation and why YOU gave it to us. We have sinned and we blame the consequences of our sin upon YOU. **Oh Father, forgive us!**

We pray today for an 'awakening' to our need:

- For YOU.
- For the humility and knowledge to trust YOU.

We ask YOU to forgive us:

- For doubting YOUR Word and disobeying YOU.
- For the sin of ingratitude, for YOU have given us all we have.
- For the abandonment of our real mission which is "to make Jesus known to those who do not know Him", as our forefathers envisioned and did.

Finally, we ask YOU to save us and our children from our sins.

- We ask YOU to convict our nation and each individual of the need to recognize Jesus Christ as the only hope of eternal salvation.
- We ask YOU that we would have the courage to confess Jesus as Lord and Savior of this world, our nation and of us individually.
- We pray that YOU forgive us of our sins and that YOU would help us, Majestic View Church, to be faithful to walk in and share the love of Jesus Christ with our community, state, nation and world.

We pray In Jesus Name,
Amen

Sincerely with all our hearts,
Pastor John S. Smith
